Circular letter no. 06/2022

RE: INCREASE IN LIST PRICES 05/2022

Dear Partners,

this is to inform you of an increase in the price list of **4.5%**, except the following:

- **+7%** on the prices of all models of refrigerated cabinets (positive and negative temperatures, pastry and ice-cream lines included)

The new prices will be effective to all confirmed orders starting from **16/05/2022**.

Continuous and sharp increases in the cost of raw materials, transport and every type of component and service compel our company to act so as to be able to continue to operate sustainably, for the good of our Community of which you are a fundamental part.

These are months of challenges on a daily basis, which we are trying to face with great responsibility and courage.

Thank you for the day by day, overwhelming support that you are giving our brand: together we will overcome even this moment.

The new price list will be available in the reserved area of our site starting from:

- 16/05/2022 excel file
- 30/05/2022 in pdf version
